

The Grenada Diaspora Youth Forum presents
Its Annual Art Exhibition and Open Mic Fundraiser
At The Gallery on the Corner, 155 Battersea Park Road, London SW8
4BU
On Sunday the 24 November 2013 1pm-8pm

“A show to celebrate the creativity of our wonderful island.”

The beautiful Spice Isle of Grenada is a jewel in the Caribbean that has inspired many who have been fortunate to visit and experience this paradise. Perhaps the only thing that matches the beauty of this great nation is the rich history and proud heritage that Grenadians have been fortunate to inherit and share with the World. One of the most enduring expressions of Grenadian history, society, culture and heritage is through art. Art through portraits, photography, sculpture and performances has captured history, changed society and inspired a culture. This art exhibition seeks to share, educate, enlighten, entertain and celebrate what it means to be Grenadian and promote Grenadian culture.

Come along and experience the great talents from our Island with an opportunity to purchase a unique piece of art.

Entrance fee is £12 for Adults & £5 for Children which includes canapés , drinks & entertainment.

For further details, to be a part of this event either to showcase & sell your art or to perform please email grenadadyf@hotmail.co.uk

The Grenada Diaspora Youth Forum is a non-profit organisation set up to help educate, celebrate and build interest in Grenadian history and culture with young people of Grenadian descent. As such the GDYF has hosted a number of events that aim to fulfil this purpose. This year the GDYF is presenting its second art exhibition (the first was in 2011) on Sunday November 24th 2013. Please join us to promote Grenadian artists, celebrate the diverse artistic talents of Grenada and raise additional funds for the GDYF.
